*The Stanford Graduate School of Business*

*cordially invites you to an:*

*Introduction to the Stanford MBA Program*

At Stanford we deliver a rigorous graduate management education to last a lifetime. We provide you with a personalized MBA education that fits your background, experience, and goals, and that challenges you to reach your fullest potential. Through our size and culture, you will form lasting relationships with faculty scholars, students, and alumni that give you a powerful professional—and personal—advantage.

We invite you to learn more about the studying in the United States at the Stanford Graduate School of Business by joining us for this informational session.
